Hi Lance,

Thank you for agreeing to write a letter/email. I'm attaching an op-ed that we wrote. This may be helpful. I also attached the letters from Santee Alley and Fashion District.

You can address it to Herb Wesson, as in the letter, and cc the District Council Person Jose Huizar (same addresses). You can email it too at:

[councilmember.huizar@lacity.org](mailto:councilmember.huizar@lacity.org)

Let me know if you need anything else!  
Rena

Rena and Kent,

Unfortunately I will not be able to attend the meeting. If you give me some bullet points on what needs to be said I will compose a letter or email based on the facts that Street Vending has hurt the many other legitimate business who pay rent and taxes.

Importance: High

Santee Alley,

Although the Chief Legislative Office has not yet released an updated street vending framework, the City Council's Economic Development Committee has set a hearing to discuss it on Tuesday, October 27.

Our grassroots coalition has now grown to over 1,100 mom and pop businesses across the city. While this won't be the only opportunity to speak on the issue, we'd like to present a strong showing from our coalition members and supporting groups. I hope you can join us as we advocate for an opt-in system with community-supported zones that is regulated and fully enforced.

Tuesday, October 27 at 1:00 PM  
Los Angeles City Hall, Council Chambers, 3rd Floor  
200 N Spring St.

Please try to attend the hearing and/or send this information to others. As I have told many of you, it is vital that the council hear from actual business and property owners about how vending negatively impacts your businesses. They cannot only hear one side.

Let us know if you may be able to attend the hearing.

Thank you!

Rena
